"Because of Who You Are"

Please join us as we convene for the 61st Annual Session of the Mt. Pilgrim Baptist District Association (MPBDA) Congress of Christian Education. The Congress stands proud on its rich tradition of providing the churches of the MPBDA and other congregations vital courses that will educate our congregations and communities regarding crisis that confront us daily—in our homes, schools, as well as the streets. We teach and share how the Power of God's Word is the answer to any situation. Over 40 classes will be offered by seasoned servants of the Lord during the Congress. These courses are adapted for adults and youth, Ages 11 and under!

The ultimate success of the Congress depends on the love of its churches for Christian Education, so please come out and participate in the classes and support the events of the Congress!
